INTRODUCING
HAMPTON SUN™

SMART SERIOUS SUNBATHING™

An extraordinary new skincare line created for the person who wants to minimize the sun's hazardous effects and maximize their time in the sun. This complete line of sun-care products contains ultra-hydrating moisturizers and a proprietary vitamin formula (vitamins A-E), powerful anti-oxidants and Emblic fruit extracts to rejuvenate and hydrate the skin, while offering UVA and UVB sunscreen protection. With a signature fragrance Priver Bloom, this luxurious line is designed exclusively for the person who is smart— and serious— about sunbathing.
